## Transportation

Whether you are [cycling](#), [walking](#), taking [transit](#) or driving, transportation plays a major role in our day-to-day activities.

The way we move within our community also has a great impact on the [emissions](#) that are produced.

The City of Burlington ensures all cyclists, pedestrians and drivers have access to safe and accessible transportation services and programs such as:

- [Crossing Guards](#)
- [Current Road Closures](#)
- [Getting Around](#)
- [Parking](#)
- [Planning](#)
- [Road Safety](#)
- [Road and Sidewalk Maintenance](#)
- [Road and Transportation Permits](#)
- [Smart Commuting](#)
- [Speeding](#)
- [Traffic Signals and Street Lights](#)
- [Community Safety Zones](#)

For information about GO Transit schedules and fares, please visit [www.gotransit.com](http://www.gotransit.com)
