Student Transportation

Transportation of students of Superior-Greenstone District School Board and our three coterminous boards, is provided through a coterminous sharing agreement, resulting in maximum efficiency and cost savings.

From the agreement, the East of Thunder Bay Transportation Consortium was created to provide all aspects of transportation, to each of the member boards, based on common policy, equal service, and maximum safety to all students, regardless of which school or board they are from. Information regarding the East of Thunder Bay Transportation Consortium can be found at www.etbtc.on.ca (<http://www.etbtc.on.ca>).
