## Joint Health and Safety Committee

The Public Works department has a Joint Health and Safety Committee consisting of two members from the management team and two members from the unionized workers.

- Milt Strachan, Certified Employer Member
- Chad Hanson, Certified Worker Member
- Craig Miller, Certified Employer Member
- Dave Martin, Certified Worker Member

The Joint Health and Safety Committee holds meetings every two months.

Monthly workplace inspections are done at the Public Works Office & Shop Building, and the Water Treatment Plant and Water Tower by the certified members of the Joint Health and Safety Committee.

Tail gate meetings are held once a month to discuss safety related issues with all the workforce.

## Traffic Safety Advisory Committee
